Dearest little niece and family.

my how glad I am that you are all well again and that Bill has work but bless their heart they are sure taking advantage of him aren't they its kinda unfair but make he will find a better one real soon and this will do until he finds better sure hate to see things getting in this condition seems like you are selling more and more of it. many me sure have been seeing a lot of depression in Rufus since his car accident hes not going to drive any more he says and im not going to touch it as he was so scared and hasent really gotten over it yet so we are kinda glad as he might really get hurt or hurt some one else he doesnt have any confidence in him self or any one else - we just thank our good Lord he or the other person were not hurt oh well thats another Chapter Closed - we will wait for the next one. yes Chris Fern Sis and Erma have copies of this latest records Erma Shirley and Ted were down east for about 4 hrs oh did we enjoy that had been over 4 years since we had seen them they are so happy over all this news

about the family tree so are me and
right now have Grandpa's picture in to
have copies for every one you gives
will be on the way by end of this mo.
I can hardly wait can you? many I dont
sleep real good some times and when I cant
sleep I just think about the past. my mind
came up with a thought about uncle Tom's
family I wish we had a way to get their
record. I think maybe have written you
this all ready but will again to be sure
do you give remember when every one went
to Almas Laundry place for a big dinner
Jas Ham his wife son and daughter were
there think we worked for Telephone Company
heard later through John and Lenee the son
was a very wonderful man and believe
he worked for Telephone Co. now many Bell
and Jerry's daughter Emma Jean this oldest
child was a little older then Jean our Jean
she was married had three boys a real
nice happy family believe he drove large
trucks untill she died with cancer we
believe about 15 or 20 years ago her boys
are married have children they lived
in Utah some place last I heard many
Bell want to go up and see them now Buck
Evans his sons ~~was~~ first marriage was I

believe in Amarillo they moved to Calif
 or was transferred to La mesa they had
 I think 2 boys and a girl the ex wife
 lives in Tusconail N.M. she's a teacher
 she left him when they lived in La mesa
 Mary Bell said he got involved with
 some one else was the reason he
 divorced and married this woman she
 was a drunk Mary Bell said well a
 divorce and another marriage the girl
 he married to now Mary likes a lot
 they want Mary Bell to come live with
 them or so she says. Mary is getting very
 forgetful it seems by her letters (now
 look who is talking) Under you try to read
 this. Mary did I put Valerius and Tracy on
 our list I believe Tracy will have a fit
 if I didn't she's one of my special grand
 kids and her mom is too. But im sure
 mine is so messed up make you and
 Willie can kinda put it in order for me
 honey I no you are so busy and yet you
 girls make time to write to us. we love
 you so dearly all of you. Yes I believe
 what Willie Lee wrote covered most of that
 letter and Fern got her copy. she sure did
 haul me out about loading it I was so
 sorry on my own I just read through it

4
one time my self. Rufus hadent read
it either it must have gotten in with
the junk mail we get every day and it
goes right to the trash as it gets piled up
on the little table by our chairs well
I better close this write to Willie-Fred Ann
May Bill and this friend Kate Jones in
Clarendon who will be 93 years old in Feb
I had all these caught up first of year
now look at me way behind. I dont
scribble as much to all of them as do
to you girls.

well so long love you lots

Aunt Frieda uncle Rufus

P.S Please excuse this scribbling its
one of the special times my hands dont
want to work - by by.

dearest little niece and family.

my how glad I am that you are all well again and that Bill has work but bless their heart they are sure taking advantage of him aren't they its kinda unfair but maybe he will find a better one real soon and this will do until he finds better sure hate to see things getting in this condition seems like you are selling more and more of it. many me sure have been seeing a lot of depression in Rufus since his car accident hes not going to drive any more he says and im not going to touch it as he was so scared and hasent really gotten over it yet so we are kinda glad as he might really get hurt or hurt some one else he doesnt have any confidence in him self or any one else - we just thank our good Lord he or the other person were not hurt oh well thats another Chapter Closed - we will wait for the next one. yes Chris Fern Sis and Erma have copies of this latest records Erma Shirley and Ted were down last Tue for about 4 hrs oh did we enjoy that had been over 4 years since we had seen them they are so happy ever all this time

about the family tree so are me and
right now have Grandpa's picture in to
have copies for every one you gives
will be on the way by end of this mo.
I can hardly wait can you? many I dont
sleep real good some times and when I cant
sleep I just think about the past. my mind
came up with a thought about uncle Tom's
family I wish we had a way to get this
record. I think make have written you
this all ready but will again to be sure
do you give remember when every one went
to Almas Laundry place for a big dinner
Jas Ham his wife son and daughter were
there think we worked for Telephone Company
heard later through John and Lence the son
was a very wonderful man and believe
he worked for Telephone Co. now Mary Bell
and Jerry's daughter Emma Jean this oldest
child was a little older then Jean our Jean
she was married had three boys a real
nice happy family believe he drove large

are married have children they lived
in Utah some place last I heard Mary
Bell want to go up and see them now Buck
Evans his sons ~~was~~ first marriage was I

believe in Amarillo they moved to Calif
 or was transferred to La mesa they had
 I think 2 boys and a girl the Ex wife
 Lina in Tuppercoil N.M. she a teacher
 she left him when they lived in La mesa
 Mary Bell said he got involved with
 some one else was the reason he
 divorced and married this woman she
 was a drunk man Bell said well a
 divorce and another marriage the girl
 he married to now Mary likes a lot
 they want Mary Bell to come live with
 them or so she says. Mary is getting very
 forgetful it seems by her letters (now
 look who is talking) When you try to read
 this. Mary did I put Valrie and Tracy on
 our list I believe Tracy will have a fit
 if I didn't she's one of my special ^{Grand} Grand
 kids and her mom is to. But im sure
 mine is so messed up make you and
 Willie can kinda list it in order for me
 honey I no you are so busy and yet you

 you so dearly all of you. Yes I believe
 what Willie Lee wrote covered most of that
 letter and Fern got her copy. she sure did
 hand me out about loading it I was so
 sorry on my own I just read through it

one time my self. Rufus hadent read
 it either it must have gotten in with
 the junk mail we get every day and it
 goes right to the trash as it gets piled up
 on the little table by our chairs well
 I better close this write to write Fred Ann
may Bill and this friend Kate Jones in
 Clarendon who will be 93 years old in Feb

dearest little niece and family.

my how glad I am that you are all well again and that Bill has work but bless their heart they are sure taking advantage of him aren't they its kinda unfair but maybe he will find a better one real soon and this will do until he finds better sure hate to see things getting in this condition seems like you are selling more and more of it. many we sure have been seeing a lot of depression in Rufus since his car accident he's not going to drive any more he says and im not going to touch it is he was so scared and hasent really gotten over it yet so we are kinda glad as he might really get hurt or hurt some one else he doesnt have any confidence in him self or any one else. we just thank our good Lord he or the other person were not hurt oh well thats another Chapter Closed. we will wait for the next one. yes Chris Fern Sis and Emma have copies of this latest records Emma Shirley and Ted were down last Tue for about 4 hrs oh did we enjoy that had been over 4 years since we had seen them they are so happy ever all this news

about the family tree so are me and
right now have Grandpa's picture in to
have copies for every one you give
will be on the way by end of this mo.
I can hardly wait can you? many I don't
sleep real good some times and when I can't
sleep I just think about the past. my mind
came up with a thought about uncle Tom's
family I wish we had a way to get their
record. I think make have written you
this all ready but will again to be sure
do you give remember when every one went
to Almas Laundry place for a big dinner
Joe Ham his wife son and daughter were
there think we worked for Telephone Company
heard later through John and Lence the son
was a very wonderful man and believe
he worked for Telephone Co. now Mary Bell
and Jerry's daughter Emma Jean this oldest
child was a little older then Jean our Jean
she was married had three boys a real
nice happy family believe he drove large
trucks well she died with cancer we
believe about 15 or 20 years ago her boys.

 they are to have donuts and milk
 and orange juice for breakfast well so
 much for that. you ask who was
 John and Lena. John is uncle Toms and
 Aunt Marys boy he is dead has been
 for at least 8 to 10 years think she is
 to if not shes in a home she went
 blind before John died. Birtis died
 over 2 years ago and Sam killed him
 self soon after she died said ~~so~~ he
 just couldnt take it without her
 Mary Bell is the last of the family
 I no Birtis had 2 girls still in
 Cal I dont no where John and Lena
 didnt have any children I will write
 you what I no about their family
 its not much but the names I dont
 even no their names completely but it
 may help a little, Mary Bell has not

been helpful to us on this.

uncle Tom and Aunt Marys kids names the oldest

Carol Ann wife 4 or 5 kids I believe. he died at least 15 years ago dont no any more

think John came next Lena, died Mary Ball Evans Jerry her husband 2 kids 1 boy Buck Evans here in Cal. their daughter Emma Jean husband and 3 boys Emma Jean died with Cancer about 10-12 years ago.

Buck has 3 boys 1 girl all the kids married the boys in Utah married have kids the girl in Alhambra new Mex. I dont no how to spell this. Buck has been married 3 or 4 times I dont no then well Mary Ball is to go see Buck for I have a query she may come down if she goes ill see what she will tell me dont think she is in touch with her brothers wives or families at all ill see if get a chance. now about these pictures Im having a picture or negatives made of Grandpa and grandma Lillie made off an old tin like picture also one of them and this

8 children dog gone it I was going
 to surprise you girls with a picture
 of them. well its taking so long to get
 the prints well shall be a while I just
 had one made at first to see what
 would happen they will be ready in a
 couple of weeks they ~~of~~ didnt remove
 the picture so its just like it was in
 the old picture I was on pins and needles

dearest little niece and family.

my how glad I am that you are all well again and that Bill has work but bless their heart they are sure taking advantage of him aren't they its kinda unfair but maybe he will find a better one real soon and this will do until he finds better sure hate to see things getting in this condition seems like you are selling more and more of it. many we sure have been seeing a lot of depression in Rufus since his car accident hes not going to drive any more he says and im not going to push it in he was so scared and hasent really gotten over it yet so we are kinda glad as he might really get hurt or hurt some one else he doesnt have any confidence in him self or any one else. we just thank our good Lord he or the other person were not hurt oh well thats another Chapter Closed. we will wait for the next one. yes Chris Fern sis and Emma have copies of this latest records Emma Shirley and Ted were down last Tue for about 4 hrs oh did we enjoy that had been over 4 years since we had seen them they are so happy over all this news

about the family tree so are me and
right now have Grandpa's picture in to
have copies for every one you give
will be on the way by end of this mo.
I can hardly wait can you? many I don't
sleep real good some times and when I can't
sleep I just think about the past. my mind
came up with a thought about uncle Tom's
family I wish we had a way to get this
record. I think make have written you
this all ready but will again to be sure
do you give remember when every one went
to Almas Laundry place for a big dinner
Jas Ham his wife son and daughter were
there think he worked for Telephone Company
heard later through John and Lene the son
was a very wonderful man and believe
he worked for Telephone Co. now Mary Bell
and Jerry's daughter Emma Jean this oldest
child was a little older then Jean our Jean
she was married had three boys a real
nice happy family believe he drove large
trucks until she died with cancer me
believe about 15 or 20 years ago her boys
are married have children they lived
in Utah some place last I heard Mary
Bell want to go up and see them now Buck
Evans his son's ~~was~~ first marriage was I

Lulu in Amarillo they moved to Calif
 or was transferred to La mesa they had
 I think 2 boys and a girl the Ex wife
 Lina in Tuscon N.M. she a teacher
 she left him when they lived in La mesa
 Mary Bell said he got involved with
 some one else was the reason he
 divorced and married this woman she
 was a drunk woman Bell said well a
 divorce and another marriage the girl
 he married to now many likes a lot
 they want Mary Bell to come live with
 them or so she says. Mary is getting very
 forgetful it seems by her letters (now
 look who is talking) Under you try to read
 this. Mary did I put Val and Tracy on
 our list I believe Tracy will have a fit
 if I didn't see one of my special grand
 kids and her mom is to. But im sure
 mine is so messed up make you and
 Willie can kinda put it in order for me
 honey I no you are so busy and yet you
 girls make time to write to us. we love
 you so dearly all of you. You I believe
 what Willie Lee wrote covered most of that
 letter and Fern got her copy. she sure did
 haul me out about losing it I was so
 sorry on my own I just read through it

one time my self. Rufus hadent read
 it either it must have gotten in with
 the junk mail we get every day and it
 goes right to the trash as it gets piled up
 on the little table by our chairs well
 I better close this write to wellit-Fred ann
 many Bill and this friend Kate Jones in
 Clarendon who will be 93 years old in Feb
 I had all these caught up first of year
 now look at me way behind. I dont
 scribble as much to all of them as do
 to you girls.

well so long love you lots
 Aunt Freida uncle Rufus

P.S Please excuse this scribbling its
 one of the special times my hands dont
 want to work - by by.

dearest little niece and family.

my how glad I am that you are all well again and that Bill has work but bless their heart they are sure taking advantage of him aren't they its kinda unfair but maybe he will find a better one real soon and this will do until he finds better sure hate to see things getting in this condition seems like you are selling more and more of it. many me sure have been seeing a lot of depression in Rufus since his car accident he's not going to drive any more he says and im not going to touch it as he was so scared and hasent really gotten over it yet so we are kinda glad as he might really get hurt or hurt some one else he doesnt have any confidence in him self or any one else - we just thank our good Lord he or the other person were not hurt oh well thats another chapter closed - we will wait for the next one. yes Chris Fern Sis and Emma have copies of this latest records Emma Shirley and Ted were down last Tue for about 4 hrs oh did we enjoy that had been over 4 years since we had seen them they are so happy over all this news

about the family tree so are me and
right now have Grandpa's picture in to
have copies for every one you gives
will be on the way by end of this mo.
I can hardly wait can you? many I dont
sleep real good some times and when I cant
sleep I just think about the past. my mind
came up with a thought about uncle Toms
family I wish we had a way to get their
record. I think make have written you
this all ready but will again to be sure
do you give remember when every one went
to Almas Laundry place for a big dinner
Joe Ham his wife son and daughter were
there think he worked for Telephone Company
heard later through John and Lence the son
was a very wonderful man and believe
he worked for Telephone Co. now Mary Bell
and Jerry's daughter Emma Jean this oldest
child was a little older then Jean our Jean
she was married had three boys a real.
nice happy family believe he drove large
trucks well she died with cancer we
believe about 15 or 20 years ago her boys.
are married have children they lived
in Utah some place last I heard Mary
Bell want to go up and see them now Buck
Evans his sons ~~was~~ first marriage was I

5
believe in amarillo they moved to Calif
or was transferred to La mesa they had
I think 2 boys and a girl the Ex wife
lives in Tupperville N.M. she's a teacher
she left him when they lived in La mesa
Mary Bell said he got involved with
some one else was the reason he
divorced and married this woman she
was a drunk woman Bell said well a
divorce and another marriage the girl
he married to now Mary likes a lot
they want Mary Bell to come live with
them or so she says. Mary is getting very
forgetful it seems by her letters (now
look who is talking) When you try to read
this. Mary did I put Valerius and Tracy on
our list I believe Tracy will have a fit
if I didn't she's one of my special grand
kids and her mom is to. But I'm sure
mine is so messed up make you and
Willie can kinda put it in order for me
honey I know you are so busy and yet you
girls make time to write to us. we love
you so dearly all of you. You I believe
what Willie Lee wrote covered most of that
letter and Fern got her copy. she sure did
bawl me out about losing it I was so
sorry on my own I just read through it

4
one time my self. Rufus hadent read
it either it must have gotten in with
the junk mail we get every day and it
goes right to the trash as it gets piled up
on the little table by our chairs well
I better close this write to Willie-Fred and
may Bill and this friend Kate Jones in
Clarendon who will be 93 years old in Feb
I had all these caught up - first of year
now look at me way behind. I dont
scribble as much to all of them as do
to you girls.

well so long love you lots

Aunt Frena uncle Rufus

P.S Please excuse this scribbling its
one of the special times my hands dont
want to work - by by.

Dearest little niece and family.

my how glad I am that you are all well again and that Bill has work but bless their heart they are sure taking advantage of him aren't they its kinda unfair but maybe he will find a better one real soon and this will do until he finds better sure hate to see things getting in this condition seems like you are selling more and more of it. many me sure have been seeing a lot of depression in Rufus since his car accident hes not going to drive any more he says and im not going to push it in he was so scared and hasent really gotten over it yet so we are kinda glad as he might really get hurt or hurt some one else he doesnt have any confidence in him self or any one else - we just thank our good Lord he or the other person were not hurt oh well thats another chapter closed - we will wait for the next one. yes Chris Fern sis and Emma have copies of this latest records Emma Shirley and Ted were down last Tue for about 4 hrs oh did we enjoy that had been over 4 years since we had seen them they are so happy over all this news

about the family tree so are me and
right now have Grandpa's picture in to
have copies for every one you give
will be on the way by end of this mo.
I can hardly wait can you? many I don't
sleep real good some times and when I can't
sleep I just think about the past. my mind
came up with a thought about uncle Tom's
family I wish we had a way to get this
record. I think make have written you
this all ready but will again to be sure
do you give remember when every one went
to Almas Laundry place for a big dinner
Jas Ham his wife son and daughter were
there think we worked for Telephone Company
heard later through John and Lene the son
was a very wonderful man and believe
he worked for Telephone Co. now Mary Bell
and Terry's daughter Emma Jean this oldest
child was a little older then Jean our Jean
she was married had three boys a real
nice happy family believe he drove large
trucks well she died with cancer we
believe about 15 or 20 years ago her boys
are married have children they lived
in Utah some place last I heard Mary
Bell went to go up and see them now Buck
Evans his sons was first marriage was I

believe in amarillo they moved to calf
or was transferred to La mesa they had
I think 2 boys and a girl the Ex-wife
lives in Tupencul N.M. she a teacher
she left him when they lived in La mesa
Mary Bell said he got involved with
some one else was the reason he
divorced and married this woman she
was a drunk Mary Bell said well a
divorce and another marriage the girl
he married to now Mary likes a lot
they want Mary Bell to come live with
them or so she says. Mary is getting very
forgetful it seems by this letter (now
look who is talking) Under you try to read
this. Mary did I put Valeril and Tracy on
our list I believe Tracy will have a fit
if I didn't she's one of my special ^{grand} grand
kids and her mom is to. But im sure
mine is so messed up make you and
Willie can kinda put it in order for me
honey I no you are so busy and yet you
girls make time to write to us. we love
you so dearly all of you. You I believe
what Willie Lee wrote covered most of that
letter and Fern got her copy. she sure did
bawl me out about losing it I was so
sorry on my own I just read through it

4
one time my self. Rufus hadent read
it either it must have gotten in with
the junk mail we get every day and it
goes right to the trash as it gets piled up
on the little table by our chairs well
I better close this write to millie-Fred and
many Bill and this friend Kate Jones in
Clarendon who will be 93 years old in Feb
I had all these caught up - first of year
now look at me way behind. I dont
scribble as much to all of them as do
to you girls.

well so long love you lots

Aunt Frieda uncle Rufus

P.S Please excuse this scribbling its
one of the special times my hands dont
want to work - by by.

I have been trying to clean up the yard a little at a time it looks some better I hafto be carefull not to get the allergic stired up. I need to stay well as I can. I want to see Jerry worry about things I try to keep things in good order in the yard. I hafto call them to get them to mow the grass. I dont like

2 To drafts do that.

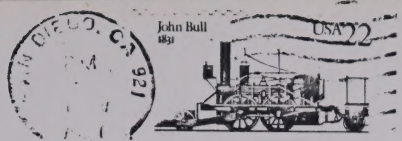

Buck is taking a new job
back in cal. starts the first of
June. He will be in Phoenix 3
months negotiating the businesses
then he will go on to L.A. He will
be home a few days before going
to work on his new job. His
children will be here for a few
days with him. Mark the oldest
boy wants to work here at the club
in summer. but the other two would
want to stay and be here while Mark
is here. but I think it would make
Serry too nervous so much activity
I'm sure to Marlene want let them stay
and very sick.

I do hope you are much
better when you get this
note. I don't do much out
try to keep things going
no news. take good care
of you self. you are on
my prayer list.
God bless you both

my how glad I am that you are all well again and that Bill has work but bless their heart they are sure taking advantage of him aren't they its kinda unfair but maybe he will find a better one real soon and this will do until he finds better sure hate to see things getting in this condition seems like you are seeing more and more of it. many we sure have been seeing a lot of depression in Rufus since his car accident hes not going to drive any more he says and im not going to touch it as he was so scared and hasent really gotten over it yet so we are kinda glad as he might really get hurt or hurt some one else he doesnt have any confidence in him self or any one else - we just thank our good Lord he or the other person were not hurt oh well thats another Chapter Closed - we will wait for the next one. yes Chris Fern Sis and Emma have copies of this latest records Emma Shirley and Ted were down last Tue for about 4 hrs oh did we enjoy that had been over 4 years since we had seen them they are so happy were all this news

about the family tree so are we and
 right now have Grandpa's picture in to
 have copies for every one you gives
 will be on the way by end of this mo.
 I can hardly wait can you? many I don't
 sleep real good some times and when I can't
 sleep I just think about the past. my mind
 came up with a thought about Uncle Tom's
 family I wish we had a way to get this
 record. I think maybe have written you
 this all ready but will again to be sure
 do you give remember when every one went
 to Almas Laundry place for a big dinner
 Joe Ham his wife son and daughter were
 there think he worked for Telephone Company

 was a very wonderful man and believe
 he worked for Telephone Co. now Mary Bell
 and Jerry's daughter Emma Jean this oldest
 child was a little older then Jean our Jean
 she was married had three boys a real
 nice happy family believe he drove large
 trucks until she died with cancer we
 believe about 15 or 20 years ago her boys
 are married have children they lived
 in Utah some place last I heard Mary
 Bell want to go up and see them now Buck
Evans his ~~son~~ first marriage was I

believe in Amarillo they moved to Calif
 or was transferred to La mesa they had
 I think 2 boys and a girl the Ex wife
 Lina in Superior N.M. she a teacher
 she left him when they lived in La mesa
 Mary Bell said he got involved with
 some one else was the reason he
 divorced and married this woman she
 was a drunk woman Bell said well a
 divorce and another marriage the girl
 he married to now Mary likes a lot
 they want Mary Bell to come live with
 them or so she says. Mary is getting very
 forgetful it seems by her letters (now
 look who is talking) Under you try to read
 this. Mary did I put Valrie and Tracy on
 our list I believe Tracy will have a gift
 if I didn't she's one of my special grand
 kids and her mom is to. But im sure
 mine is so messed up make you and
 Willie can kinda put it in order for me
 honey I no you are so busy and yet you
 girls make time to write to us. we love
 you so dearly all of you. Yes I believe
 what Willie Lee wrote covered most of that
 letter and Fern got her copy. she sure did
 haul me out about losing it I was so
 sorry on my own I just read through it

one time my self. Rufus hadent read it either it must have gotten in with the junk mail we get every day and it goes right to the trash as it gets piled up on the little table by our chairs well I better close this write to Willie-Fred and many Bill and this friend Kate Jones in Clarendon who will be 93 years old in Feb I had all these caught up - first of year now look at me way behind. I dont scribble as much to all of them as do to you girls.

dearest little niece and family.

my how glad I am that you are all well again and that Bill has work but bless their heart they are sure taking advantage of him arent they its kinda unfair but maybe he will find a better one real soon and this will do until he finds better sure hate to see things getting in this condition seems like you are selling more and more of it. many we sure have been seeing a lot of depression in Rufus since his car accident hes not going to drive any more he says and im not going to touch it as he was so scared and hasent really gotten over it yet so we are kinda glad as he might really get hurt or hurt some one else he doesnt have any confidence in him self or any one else. we just thank our good Lord he or the other person were not hurt oh well thats another chapter closed. we will wait for the next one. yes Chris Fern Sis and Emma have copies of this latest records Emma Shirley and Ted were down last Tue for about 4 hrs oh did we enjoy that had been over 4 years since we had seen them they are so happy over all this news

about the family tree so are me and
right now have Grandpa's picture in to
have copies for every one you give
will be on the way by end of this mo.
I can hardly wait can you? many I don't
sleep real good some times and when I can't
sleep I just think about the past. my mind
came up with a thought about Uncle Tom's
family I wish we had a way to get this
record. I think make have written you
this all ready but will again to be sure
do you give remember when every one went
to Almas Laundry place for a big dinner
Joe Ham his wife son and daughter were
there think we worked for Telephone Company
heard later through John and Lene the son
was a very wonderful man and believe
he worked for Telephone Co. now Mary Bell
and Jerry's daughter Emma Jean this oldest
child was a little older then Jean our Jean
she was married had three boys a real
nice happy family believe he drove large
trucks well she died with cancer we
believe about 15 or 20 years ago her boys
are married have children they lived
in Utah some place last I heard Mary
Bell want to go up and see them now Buck
Evans his sons ~~was~~ first marriage was I

2

believe in amarillo they moved to calf
or was transferred to La mesa they had
I think 2 boys and a girl the ex-wife
lives in ^{Indepent} ^{N.M.} she's a teacher
she left him when they lived in La mesa
Mary Bell said he got involved with
some one else was the reason he
divorced and married this woman she
was a drunk Mary Bell said well a
divorce and another marriage the girl
he married to now Mary likes a lot
they want Mary Bell to come live with
them as so she says Mary is getting very
forgetful it seems by her letters (now
look who is talking) Under you try to read
this. Mary did I put Val and Tracy on
our list I believe Tracy will have a fit
if I didn't see one of my special grand
kids and her mom is to. But in sure
mine is so messed up make you and
Willie can kinda list it in order for me
honey I know you are so busy and yet you
girls make time to write to us. we love
you so dearly all of you. Yes I believe
what Willie Lee wrote covered most of that
letter and Fern got her copy. she sure did
haul me out about losing it I was so
sorry on my own I just read through it

one time my self. Rufus hadent read
 it either it must have gotten in with
 the junk mail we get every day and it
 goes right to the trash as it gets piled up
 on the little table by our chairs well
 I better close this write to Willie-Fred and
many Bill and this friend Kate Jones in
 Claiborne who will be 93 years old in Feb
 I had all these caught up - first of year
 now look at me way behind. I dont
 scribble as much to all of them as do
 to you girls.

well so long love you lots
 Aunt Frieda uncle Rufus

P.S Please excuse this scribbling its
 one of the special times my hands dont
 want to work - by by.

dearest little niece and family.

my how glad I am that you are all well again and that Bill has work but bless their heart they are sure taking advantage of him aren't they its kinda unfair but maybe he will find a better one real soon and this will do until he finds better sure hate to see things getting in this condition seems like you are selling more and more of it. many me sure have been selling a lot of depression in Rufus since his car accident hes not going to drive any more he says and im not going to touch it as he was so scared and hasent really gotten over it yet so we are kinda glad as he might really get hurt or hurt some one else he doesnt have any confidence in him self or any one else - we just thank our good Lord he or the other person were not hurt oh well thats another chapter closed - we will wait for the next one. you Chris Fern sis and Emma have copies of this latest records Emma Shirley and Ted were down last Tue for about 4 hrs oh did we enjoy that had been over 4 years since we had seen them they are so happy over all this news

about the family tree so are me and
right now have Grandpa's picture in to
have copies for every one you give
will be on the way by end of this mo.
I can hardly wait can you? many I don't
sleep real good some times and when I can't
sleep I just think about the past. my mind
came up with a thought about uncle Tom's
family I wish we had a way to get their
record. I think make have written you
this all ready but will again to be sure
do you give remember when every one went
to Almas Laundry place for a big dinner
Joe Ham his wife son and daughter were
there think we worked for Telephone Company
heard later through John and Lene the son
was a very wonderful man and believe
he worked for Telephone Co. now Mary Bell
and Jerry's daughter Emma Jean this oldest
child was a little older then Jean our Jean
she was married had three boys a real
nice happy family believe he drove large
trucks well she died with cancer we
believe about 15 or 20 years ago her boys
are married have children they lived
in Utah some place last I heard Mary
Bell want to go up and see them now Buck
Evans his sons ~~was~~ first marriage was I

2

believe in amarillo they moved to Calif
or was transferred to La mesa they had
I think 2 boys and a girl the Ex-wife
Lives in ^{San Antonio} N.M. she's a teacher
she left him when they lived in La mesa
Mary Bell said he got involved with
some one else was the reason he
divorced and married the woman she
was a drunk woman Bell said well a
divorce and another marriage the girl
he married to now Mary likes a lot
they want Mary Bell to come live with
them as so she says. Mary is getting very
forgetful it seems by her letters (now
look who is talking) Under you try to read
this. Mary did I put Val and Tracy on
our list I believe Tracy will have a fit
if I didn't see one of my special grand
kids and her mom is to. But im sure
mine is so messed up make you and
Willie can kinda put it in order for me
honey I no you are so busy and yet you
girls make time to write to us. we love
you so dearly all of you. You I believe
what Willie Lee wrote covered most of that
letter and Fern got her copy. she sure did
haul me out about losing it I was so
sorry on my own I just read through it

one time my self. Rufus hadent read
 it either it must have gotten in with
 the junk mail we get every day and it
 goes right to the trash as it gets piled up
 on the little table by our chairs well
 I better close this write to Willie-Fred and
 Mary Bill and this friend Kate Jones in
 Clarendon who will be 93 years old in Feb
 I had all these caught up - first of year
 now look at me way behind. I dont
 scribble as much to all of them as do
 to you girls.

well so long love you lots

Aunt Frieda uncle Rufus

P.S Please excuse this scribbling its
 one of the special times my hands dont
 want to work - by by.

these pictures Im having a picture
or negatives made of Grandpa and
Grandma Gibbs made off an old tin-
like picture also one of them and this

 to surprise you girls with a picture
 of them. well its taking so long to get
 the prints will still be a while I just
 had one made at first to see what
